

Alta Vista Garden Club – New Membership Application

Thank you very much for your interest in the Alta Vista Garden Club (AVGC). Ruby Wilkerson founded the Club in 1951 and served as its first president. Today, over 40 members are dedicated to achieving the Alta Vista Garden Club's mission. Thriving for 75 years, the Club is distinguished by the Arizona Federation of Garden Clubs as a Diamond Club, the top level, for years of service.

AVGC Mission:

The Mission of the Alta Vista Garden Club is to promote the love of gardening and floral design and to cultivate best practices. This is accomplished through regular meetings, educational programs, and scholarships - working with local, district, state, regional, and national organizations.

We build friendships and alliances through shared interests and experiences, practice sustainable gardening methods and plant selections, while emphasizing low water use and environmental impact. This meets our goals of civic beautification and conservation.

Please complete the form below and return to the Membership Chairperson or upload to our website at <https://altavistagardenclub.org/>. New members are asked to attend two Club meetings prior to joining to see what we are about.
